**Paperwork Reduction Act Statement:** The information collected on this form is necessary to ensure applicant eligibility. The information is used to determine that the applicant meets the necessary qualifications as owner of an amateur built aircraft. We estimate that it will take approximately 30 minutes to complete the form. The information collection is required to obtain a benefit. The information collected becomes part of the aircraft registration system. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. OMB 2120-0042.

Comments covering the accuracy of this burden and suggestions for reducing the burden should be directed to the FAA at 800 Independence Avenue SW, Washington, DC 20591. ATTN: Information Collection Clearance Officer, ABA-20.

**AFFIDAVIT OF OWNERSHIP FOR EXPERIMENTAL AIRCRAFT INCLUDING

|||||

Dear Sirs:

We have received your letter concerning the assignment of NDTK02 for assignment to Defense Technologies, Inc. Kestrel-T, serial number 002.

U.S. registration numbers are made up of from one to five symbols, the last two of which may be alphabetical, the first digit must be numeric, a zero never precedes the first number, and the letters "I" and "O" are not used. The registration number you requested is not a valid number. If you have additional choices, please list them below:

A number of your choice may be reserved, if available, for one year by sending a written request and a \$10 fee for each number to be reserved. The reservation may be renewed from year to year by paying a \$10 renewal fee before the end of that period.

Please list your choices in order of preference in the space provided below. The availability of these numbers will be determined and you will be notified.

Choices:

Next Available

You may also request the first available number for your aircraft free of charge if you choose not to reserve a special registration number.

If you require further assistance, please contact the Aircraft Registration Branch at (405) 954-4206 or toll free 1-866-704-4715.

Sincerely,

*Roxanne Zeigler*
